The above listed contribution amounts are current as at 30 June 2019.

Where the DCP provides for a Community Infrastructure Levy of less than \$1,190, that amount will be adjusted on July 1 using the Producer Price Index for Non-Residential Building Construction in Victoria as published by the Australian Bureau of Statistics in accordance with Part 3B of the Act.

The Development Infrastructure Levy will be adjusted annually on July 1 each year to cover inflation, by applying the Consumer Price Index for Melbourne (All Groups) as published by the Australian Bureau of Statistics. All adjustments will occur and take effect from the date of index publication.

A list showing the current contribution amounts will be held at Council's Planning Department.

Payment of development contributions is to be made in cash. Council, at its discretion, may consider accepting works and / or land in lieu of cash contributions.

The Collecting Agency may, at its discretion, agree for payment of a levy to be deferred to a later date, subject to the applicant entering into an agreement under section 173 of the Planning and Environment Act 1987 to pay the levy at an alternative date.
