Dear Community Member

**Re: Donath and Dole Master Plan implementation – construction**

As communicated earlier this year, Council allocated funding for the design and implementation of landscaping works at Donath West Reserve as part of the Donath and Dole Master Plan implementation.

These works are due to commence from Tuesday 11 June 2019 and are likely to take approximately three weeks, subject to weather.

Works will include:

- Construction of a concrete path from Johnson Street to the existing concrete path in Donath Reserve
- Planting of trees, shrubs and groundcovers
- Installation of picnic tables, seats, a drink fountain and bins

We will be hosting a **community planting day** on Sunday 23 June from 10am to midday in Donath West Reserve at the end of Falk Avenue. Refreshments will be provided, and all are welcome.

Please contact me on the details below for any further information.

Yours sincerely
