

# Rates Financial Hardship Policy

<b>Purpose</b>	<p>Council levies Rates and Charges on rateable land to provide services to the community. Darebin City Council recognises there are cases for genuine financial hardship requiring respect and compassion in particular circumstances.</p> <p>This policy provides a framework and guidance to ratepayers experiencing genuine financial hardship in fulfilling their financial obligations related to the payment of municipal rates, interest, fees and other service charges and to assist council staff in addressing applications by ratepayers in accordance with the <i>Local Government Act 1989</i>.</p>
<b>Objective</b>	<p>The objectives are:</p> <ul style="list-style-type: none"> <li>• To provide assistance to ratepayers experiencing genuine financial hardship</li> <li>• To provide a mechanism that enables people to feel comfortable approaching Council about outstanding debts or current financial hardship circumstances</li> <li>• To provide ratepayers with assurance they will be treated in a consistent, equitable, culturally-safe and confidential manner.</li> <li>• To ensure the policy is fair to all ratepayers</li> <li>• To ensure council's debt collection practices are sensitive to financial hardship issues</li> <li>• To demonstrate Council's commitment toward equity.</li> </ul> <p>When assessing any application about financial hardship, due consideration must be given to Council's overall revenue requirements and services provided. While all property owners receive the direct benefit provided through the payment of rates and charges, it is important that Council has a mechanism to consider the needs of property owners who are suffering genuine financial hardship.</p>
<b>Scope</b>	<p>This policy applies to all property owners (or agent) of the City of Darebin In particular, the policy applies to those property owners who have been identified, either by themselves, Council Officers or by an independent accredited financial counsellor or community counselling service, as having the intention to pay their rates, but who does not have the financial capacity to make the required payments. Where financial hardship cannot be established, Council may avail itself of the collection options to recover overdue amounts. These recovery methods include legal action and, in extreme circumstances, the sale of property.</p> <p>This policy applies to revenue included on the rate notice (rates, waste charges, applicable legal costs, interest and other relevant charges).</p> <p>This policy should be read in conjunction with Council's Privacy Policy</p> <p>Assistance can only be granted to individuals experiencing financial hardship for payment of rates on their principal place of residence.</p> <p>Council frequently enters into payment arrangements with property owners. In these circumstances Council will monitor progress towards clearing the debt within a specified time, but if the debt is not cleared, further assistance may be considered.</p>

Council may request further financial details and may also request an interview in order to arrive at its decision. Council recommends that all financial hardship applicants seek financial counselling as counselling services have access to a greater range of support options.

Council will consider an application for financial hardship relief confidentially and objectively, with cultural considerations, based on the information provided by the person or business in the application and will advise of its decision in writing:

- within 21 days of an interview (if required)
- within 21 days of receiving the application and all supporting information of no interview is required.

### **1 No waiver of rates and charges**

- 1.1 Council will not waive in whole or part any rate, levy, special rate or special charge.
- 1.2 Rates and charges will not be waived to ensure that financial hardship assistance offered to one ratepayer or group of ratepayers does not adversely impact other ratepayers through a higher rating burden being applied to other properties to raise the same level of rates revenue.

### **2 Payment Deferral Rates and Charges**

- 2.1 Payment deferral occurs where Council agrees to a ratepayer not making rates payments. This option would generally only apply to ~~long-term~~ serious cases of financial hardship.
- 2.2 Rates, charges and interest continue to be charged against the property but collection is not enforced.
- 2.3 Payment of rates and charges will be deferred until such time as the ratepayer's circumstances improve or the property is sold or transferred to another owner, at which time Council would collect the outstanding amount of rates, charges and interest.
- 2.4 Rate notices will continue to be sent to rate payers to ensure they are aware of the growing debt.
- 2.5 Council may reject a deferral application or cease a deferral arrangement if the total outstanding balance of rates and charges exceeds 50% of the property's Property Capital Improved Value.

- 2.6 Ratepayers experiencing or at risk of experiencing financial hardship may have payment of rates and charges deferred in full or in part subject to the following conditions:
- Application for deferral of rates and charges may only be made for a residential property that is the principal place of resident of the applicant.
  - Ratepayer or their representative must submit a written application to the Revenue Coordinator demonstrating financial hardship.
  - On receipt of an application the rate or charge may be deferred either for a set period or an indefinite period.
  - Where practicable the ratepayer must enter into an agreement with Council on a payment schedule and continue to those payments.
  - The deferment decision is made by the Chief Financial Officer upon recommendation from the Coordinator Revenue Services

**3 On deferment being approved, the following shall occur:**

- The ratepayer will be advised in writing of the outcome.
- The property will be flagged as a deferment property and no debt recovery action shall be taken even though rates, charges and interest will still accrue.
- Deferment will be reviewed annually and an application will be sent to the ratepayer with the Valuation and Rate Notice seeking confirmation that the financial hardship still exists except where the applicant is a ratepayer eligible for the municipal rates concession in which case the deferment can be extended without making contact with the ratepayer.

**4 A deferment will be deemed withdrawn on the basis of any of the following conditions:**

- The ratepayer advises that the financial hardship conditions no longer exist.
- Annual confirmation of ongoing hardship is not received within 30 days of application being sent except where the applicant is an aged pensioner.
- The ratepayer no longer owns or occupies the property.
- The ratepayer has defaulted in meeting any agreements with Council in regards to the deferment.
- The total outstanding balance for the property of unpaid rates and charges exceeds 50% of the Capital Improved Value of the property.
- The Chief Financial Officer will determine if any deferment agreement is to be withdrawn subject to the above clauses upon receiving a recommendation from the Revenue Services Coordinator.

**5 Waiving of Interest on Overdue Rates and Charges**

- The waiver of interest may apply to interest already incurred on overdue rates and charges and/or withholding of any future interest that would be incurred.
- Interest waivers fall under three categories which are:
  - Administrative waiver – ratepayers may have interest waived in the event of an administrative issue, error or omissions which caused or significantly contributed to the failure to pay rates in a timely manner. An example of an administrative error may include:
    - Failure to process a change of address notified to Council in writing and the rate notice was sent to a wrong address.
    - Processing of a payment to an incorrect assessment causing interest to be charged incorrectly.
  - Waiver on compassionate grounds – ratepayers may have interest waived where they have demonstrated compassionate grounds for a payment being late. Acceptable compassionate grounds would generally relate to family

illness or death. Requests for waiver must be in writing to the Revenue Coordinator and will be assessed on an individual basis.

- c) Financial Hardship waiver – ratepayers may have interest or part interest waived where they have demonstrated that the payment of such interest would cause severe financial hardship. Applications for waiver must be in writing to the Revenue Coordinator and will be assessed on an individual basis.

## **6 If an application to waive interest is approved the following shall occur.**

6.1 Waivers on compassionate grounds and administration waivers shall be one off and ratepayers will need to re-apply on each occasion a waiver is sought. The ratepayer must:

- a) Attend to the immediate settlement of the outstanding rates and charges; or
- b) Enter into a payment arrangement where a set amount is paid on a weekly, fortnightly or monthly basis.

If the arrangement is not maintained, the amount of interest waived may be withdrawn and reinstated on the assessment.

6.2 Waivers sought under financial hardship, an update will be sought on an annual basis and arrangements extended where appropriate. The property shall be flagged and while rates will still accrue, no interest will be charged.

6.3 A waiver of interest granted under financial hardship will continue unless any of the following until:

- a) Ratepayer advises that the financial hardship conditions no longer exist.
- b) Annual confirmation of ongoing financial hardship is not received within 30 days of request.
- c) The ratepayer no longer owns or occupies the property.
- d) The ratepayer has defaulted in meeting any agreements with Council in regards to the waiver.

## **7 Delegations to Waive Interest**

7.1 The Coordinator Revenue Services is authorised to waive interest charges up to \$250 for any one property.

7.2 For requests to waive interest over \$250, the Coordinator Revenue Services will review applications in accordance with this policy and prepare a report for the Chief Finance Officer for consideration and approval. The waiver of interest will be confirmed in writing once it has been approved.

7.3 The Chief Finance Officer and Coordinator Revenue Services have delegated authority from Council to waive in whole or in part, interest charges due where the application of the interest would cause financial or undue hardship.

## **8 Calculations on Interest**

8.1 Interest will be charged on overdue rates and charges in accordance with Section 172 of the Local Government Act 1989, namely:

- a) On instalment payments from the date the instalment was due
- b) The interest is calculated at the rate fixed under Section 2 of the Penalty interest Rates Act 1983

## **9 Application for Review**

9.1 Where a person or business is dissatisfied with the outcome of their application, the customer may ask the Chief Financial Officer to review Council's decision by completing and lodging the Appeal Against Decision form. The Chief Financial Officer will determine the appeal within 14 days from receipt of the form.

	9.2 Where the customer is still dissatisfied with the outcome of their application, the customer can refer the matter to the Victorian Ombudsman.
